Dear Devashish Thapa,

Thanks for starting your submission to *IEEE Engineering Management Review*. You can access your submission using this link:

[New submission from 27 April 2026 06:20](#)

Manuscripts in DRAFT state are not yet submitted and will not be visible to the editorial office until the submission process has been completed.

We've put together these resources to help guide you through the manuscript submission process:

- To learn more about preparing a scholarly article, visit: [Article preparation information](#).
- For additional information about submitting to this journal, visit: [IEEE Engineering Management Review Journal Information](#).
- During submission we'll walk you through each step, providing instructions and relevant knowledge base articles along the way.

Need more help?

- For technical issues with our online submission system, contact [authorportal@ieee.org](mailto:authorportal@ieee.org)
- For editorial questions or issues, contact the journal's [editorial office](#) for assistance.

Sincerely,  
The Editorial Staff at *IEEE Engineering Management Review*

By submitting a manuscript to or reviewing for this publication, your name, email address, and affiliation, and other contact details the publication might require, will be used for the regular operations of the publication, including, when necessary, sharing with the publisher (IEEE) and partners for production and publication. The publication and the publisher recognize the importance of protecting the personal information collected from users in the operation of these services and have practices in place to ensure that steps are taken to maintain the security, integrity, and privacy of the personal data collected and processed. You can learn more by reading our [privacy policy](#). In case you don't want to be contacted by this publication again, please send an email to [roy.p@ieee.org](mailto:roy.p@ieee.org).
